OFFICIAL.

OFFICE OF AUDITOR OF STATE. COLUMBIA, S. C., November 10th, 1871.

It having been reported in some of the papers in this State, that a promise had been made by His Excellency Governor R. K. Scott to the late tax payers' Convention, to extend the time for the collection of taxes for 1871; I would say for the information of all concerned, and for the purpose of doing away with any ill effect which such a report might induce; and at the same time to leave no excuse for non-payment at the proper time; that in conference with His Excellency this morning, he informed me that he made no such general promise as has been ascribed to him.

His Excellency informs me that the committee of the Tax-payers' Convention who waited upon him in reference to matters relating to the collection of taxes, decided that November was the proper time for collection of taxes in the upper counties; but that in those counties where sea island cotton is grown, payment could not be made until March, without sacrifice.

His Excellency, therefore, agreed to suspend the collection from those upon the seaboard until that time, where they were unable to pay sooner.

Persons desiring to avail themselves of the benefits of this promise will be required to file a petition with the County Auditor previous to the time at which the penalty attaches, accompanied by affidavits that returns from crops had not been received; such petitions will be considered.

The public will, therefore, place no reliance upon the report referred to, as I am assured by His Excellency that no extensions of time other than those mentioned, will be granted.

The collection of taxes for this fiscal year will commence on the 20th instant, and continue until 15th of January next; after which time the penalties proscribed by law, will attach, and be strictly enforced.

County Treasurers will proceed at once to enforce the collection of all delinquent taxes for previous years.

MORGAN ISLAND FOR SALE.

MORGAN ISLAND is situated near the entrance of St. Helena Sound. It is reached by a three hour's drive from Beaufort over St. Helena Island, including ferriages at Beaufort and Morgan river.

This ISLAND is beautifully located, being entirely surrounded by navigable rivers and bays, the waters of which abound in fish and oyster unequalled in quality and quantity in any locality on the South Atlantic coast. It contains about eight hundred acres of arable land, which produces the finest of sea island cotton, and, in fact, grows all crops suited to the Southern soil and climate. For the purpose of raising horses, cattle, sheep, and hogs, its reputation is world-wide, thousands of dollars of profit having been cleared yearly by its owners, prior to the late war, at which time it was considered worth thirty thousand dollars.

The Plantation House is in good repair, and contains six rooms. The cotton house, out-buildings, and fences are in good repair.

The Island is stocked with 60 sheep, 60 hogs, 40 head cattle and 4 fine horses.

The stock will be sold only to parties who purchase the plantation, and at very low rates.

This magnificent property is now offered for sale, and a great bargain is ensured to the lucky purchaser. Terms of sale made easy to live men of limited means. The present owner paid for the place, only twelve months since, the sum of five thousand dollars.

You are respectfully requested to put in your bids. Unquestionable title will be given to purchaser by the present owner. If not sold at private sale before Tuesday, January 2, 1872, it will be sold at public auction on that day and date in front of my store, on Bay street, Beaufort, S. C. JAMES M. CROFUT, Auctioneer. Dec-7-1.

NOTICE TO LIQUOR DEALERS.

HAVING BEEN INFORMED THAT several parties are selling liquor without having purchased a County License, notice is hereby given that unless they attend to this duty immediately, proceedings will be instituted against them for violation of the law. Any party procuring a conviction of offenders against this law before a Trial Justice is entitled to one-half of the fine levied. F. E. WILDER, Treas. Bft. Co. Nov. 30-6w.
